Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor,

How exciting to read the infuriated responses to my letter about the 'lost trolleys' of Tesco in your September issue.

How sad to see that only Mr. Boughton-Fox seems to have really read and grasped the main points of my diatribe! I would like to thank him for his subsequent personal visit to me to explain what he and his fellow Councillors have discussed at their meetings with Tesco.

As for the others, the kindest thing I can say is that I hope that their cars never break down, leaving them to struggle home on foot with masses of shopping, particularly if they are over 70 and have recently had a heart bypass operation.

'Elvis' launches new song on CD for 'The Ben Peacock Appeal' !

Local entertainer, Peter Day, known as 'Elvis', has written and performed a track on a new 16 track CD released this month. A sizable donation from the sale of the CD will be donated to the registered appeal 'The Ben Peacock Appeal'.

Ben Peacock (18) lives in Huntingdon and suffers from Muscular Dystrophy, dislocated hips and a condition known as Scoliosis (curvature of the spine). Normally major surgery would be performed to correct his medical problems, but in Ben's complicated case alternative treatment needs to be found.

In the US 'The Copes Foundation' specialises in cases like Ben's. £23,000 was raised in 1997 and a corrective treatment started by Dr. Copes. This has been amazingly successful, but more funds are required to continue the treatment.

Dear Editor,

A request was sent out to all parents by Bar Hill Community School at the end of last term for help in re-decorating the school classrooms.

The P.T.A. (mostly female) and some of the governors, helped by a small number of parents, have worked for well in excess of 200 hours to transform the classrooms.

This is the third year this redecoration has taken place and now all the classrooms, cloakrooms, and the hall have been given a face lift along with other refurbishment.

Mrs. Lin Whyte, the headmistress, said "This support and commitment truly reflects the community spirit of the School - the end result is splendid. It is very much appreciated by the children and staff as well as by myself, the governors and parents. It has enhanced the learning environment for the children and without the decorators' dedication and long hours this would not have been possible due to budget restrictions."

Ruby Hunt (Village correspondent)

PS. Did you know that Bar Hill School achieved the 3rd highest Tesco Computer Voucher collection in the country? 66,600 vouchers were collected, amounting to 160 per child. Well done everyone!

Bar Hill Parish Council

2 The Mall

780456

The meeting of the Parish Council took place on 16th September 1999.

Tesco Redevelopment

An agreement has been made between the Parish Council and Tesco regarding the land they require.

Tesco will hand phasing plans to the Parish Council by the end of September 1999. These will be held in the Parish Council office for all Villagers and Commercial outlets to view.

Play Area and Village Green

Unfortunately the train in the main play area on the Village Green has been used as a urinal. For some unknown reason this seems to amuse the culprits. On Monday 13th September blue tape was also tied around the whole area and equipment so that children could not possibly enter the area let alone play there.

High flyin' Fish 'n' Chicken !

Our Fish 'n' Chicken would like to thank the residents of Bar Hill for their support over the last few months and would like to announce that, partly due to that support, the shop has achieved a place in the last three of the competition to find the Central Region's representative for the 'National Fish and Chip Shop' competition (that puts our 'chippy' in the top 24 fish and chip shops in the UK!).

The 'National Fish and Chip Shop' competition is organised annually by the Seafish Industry Authority, a world renowned organisation, and starts with an entry of 88,000 shops.

24th out of 88,000 isn't bad, but hopefully we will proceed further. More news next month. Thanks again for your support and enjoy your fish and chips tonight!

Paul and Lyn

Also when the drainage was carried out on the green the trenches were still visible and suddenly became a bicycle trail. This has caused an awful lot of hard work to obtain soil and fill them in plus rolling flat. My thanks go to those who helped carry out this work on a very hot afternoon from 3 p.m. until 7 p.m., especially Fred Styles and Mervyn Pope.

If you see or know anyone misusing the area in this way please could you let us know. Your name will be kept in strictest confidence. It's just a shame the minority spoil it for the majority.

Events within Bar Hill

There are some events held on the Village that clash with others. I will be holding an 'events diary' so if you are having a car boot sale, garage sale, jumble sale, discotheque etc., please let me know and I can advise whether or not you will clash with anything else. I am sure this will benefit all parties concerned.

Other Matters

As you may have seen, the Parish Council notice board has been totally vandalised and therefore I am unable to update Villagers on our meetings and happenings in and around Bar Hill.

From the 1st October 1999, the Parish Council offices will have moved over to temporary accommodation in the unit previously used by Spicer McColl. I will be putting Parish Council notices/minutes etc., in the window.

Now that the ~~dark~~ evenings are coming it is essential that we all take precautions to ensure that

our homes are safe. If you go out and the house is left empty make sure that it is secure and looks occupied. Leave a light on in a room, not just the hall, and it may be worth investing in a time switch. Make sure that all doors and windows are secured.

Distraction burglaries are still a major problem so please ensure that you do not admit any person to your home if you are not sure of their identity. Honest tradesmen will not mind waiting until you have checked their credentials.

Make sure that your valuables are postcoded. If you don't know how to mark items, please contact your local Neighbourhood Watch co-ordinator.

If you have any questions or would like to join Neighbourhood Watch please don't hesitate to contact me.

Autumn

The spiders' webs stand out in the bushes
Highlighted by early morning fog.
The sun is not as strong as it was
I notice as I'm out with my dog

The butterflies are making the most of the sun
As soon they'll be dead or asleep.
Some won't see next year, some will
From the cracks in the shed, so deep.

The young birds have all left the nest
Now fully feathered and grown.
Fed every meal by their parents
Now they must feed on their own

The wildflowers that covered the meadows
Held their colourful heads high
Now start to look a sorrowful state
As they hang their heads and die.

Frogs toads and newts
Have now all gone to sleep
But they'll be back again next year
From the mud in the pond, so deep.

The bushes now hang heavy with berries
This is their time of year
To feed the birds and give them a chance
Through winter that would otherwise cost them dear.

It's nice to be walking in the countryside
Even if it's a little bit colder.
Things have grown, things have died.
We're all a little bit older.

I look to next Spring
When nature will again start to grow.
The countryside will come to life
and put on a magnificent show

The recent misty mornings have
brought to mind that another fruitful
summer is drawing to a close. Once the
shorter days arrive I always take more
care over cleaning and oiling the metal
parts and applying boiled linseed oil to
the wooden parts of my digging equip-
ment in order to minimise deterioration.
Several items of my set of gardening
implements have been obtained second
hand from Emmaus at Landbeach, who
sell a tremendous range of recycled
goods (and some new goods) at rea-
sonable prices, in what is in effect the
largest permanent jumble sale in Cam-
bridgeshire!

I am also reminded that the plot rents
will be due again in October & I for
one will certainly renew membership as
the value of produce if bought at shop
prices will pay the rent several times
over and, perhaps more importantly, the
food is guaranteed organically produced
and has far more flavour.

Plots when available can be rented
from P. Lloyd 200591.

Sports & Social Club

The sale of memberships continues. Unfortunately adult memberships will have now risen to £5 per person (senior Citizens remain at £1). I am afraid the £3 slot closed on 30th September – how many times do we have to tell you?!

Millennium tickets are on sale at £25 each (£20 for senior citizens – male and female aged 60 years). These are being sold on Tuesday and Wednesday evenings, sometimes on Thursdays please see the notice board at the top of the stairs for full details.

These are going rapidly and with only 350 tickets you should not hang around too long. The price is fully inclusive of all drinks, (including champagne at midnight), entertainment (singer incorporating karaoke in the main club area and a disco in the Village Hall) and a keepsake. The evening will begin at 8p.m. and end at 4 a.m.

Priority is being given to previous member's first and then new members. The waiting list of new members for tickets is rapidly growing and we will sell tickets to those people from 1st November 1999.

The Social Club is a unique organisation within Bar Hill, in that it does not ask for money but gives it away. 'It supports other clubs and societies using the Village Hall facilities' that is the wording of the Club Constitution, but tend

to do even more. So it is important you support us in order we can support you (and others).

Last year the Clubs chosen charity was Camsight and through our collection bottle we raised over £115 which was rounded up to £200, not much perhaps but greatly received, so thank you to all who popped the odd few pence of change in the bottle.

As with previous years the Social Club is pleased to sponsor both the Village Cricket and Football Clubs by paying for their use of the Village Hall changing rooms (£500 in total).

For those of you going on our trip to Hamburg, final monies are now due so please see Lesley as soon as possible.

On the entertainment front, last month saw one of the Club's most successful weekends starting with a trip to Newmarket Races on the Saturday followed by a rounders match, barbecue and disco on the Sunday. On both days we were blessed with glorious weather.

Kevin Hard and his helpers turned chaos into carnival with a melee of "athletic bodies" into teams for the rounders. Mick Egan and Ian Lamont (due to start their own TV cooking programme) virtually single handedly ran an amazing barbecue with Carol Lamont and Margaret Carpenter helping with the preparation of salads etc. Barry Tay-

lor entertained us to the close with a disco in the Village Hall. Our thanks to all involved especially those behind the scenes.

Our Karaoke night on Friday 17 September was a great success, even the children had chance to shine on their part of the evening. With this in mind we will be looking at future karaoke evenings next year for both adults on Fridays and family nights on Saturdays – keep your eyes on the notice board.

Our "Ladies v Men" games night was, as usual, lots of fun and thoroughly enjoyed by all who took part.

Future Events:

- 1 Oct. - Marilyn Squires (solo artist)
- 29 Oct. - Adults Halloween Disco
- 30 Oct. - Children's Halloween Disco

Carol Lamont has taken over as our Entertainment's Officer for adult events. Please see Carol if you have any ideas or queries on entertainment.

Future trips are likely to include a couple of London shows, (Blood Brothers and Mama Mia). Please keep your eyes on the notice board for details and dates.

As is, by now tradition, our Christmas Raffle tickets are on sale from 1st October at 25p each. Last year we had over £3000 of prizes (all monies taken are returned in prizes).

Take a walk and discover such interesting characters as King Alfred's cakes, Dryads saddles, stinkhorns, orange peels and Shaggy

Inkcaps all in the name of fungi.

As fungi don't contain the green pigment of plants - chlorophyll - they must absorb their nutrients through the mycelium which is a series of tubes resembling spiders' webs penetrating through the soil or wood.

Many fungi obtain food this way from dead or decaying organisms, while others are parasites feeding on the living bodies of plants and animals. Sulphur Polypore, a yellow-orange fan, like most bracket fungi is a parasite. Entering via a 'wound', the mycelium rots the heartwood, turning it red in the process. King Alfred's cakes, round burnt looking fungi, feed on Ash trees, causing the wood to rot.

King Arthur's cakes are also known as Cramp balls as people used to put them in their beds to prevent cramp. Stinkhorns are a fungi that you wouldn't want anywhere near your soft furnishings. Their smell of bad drains or rotting flesh attracts flies which eat its slimy green head and fly off to distribute its spores.

The best way to discover more about fungi is to take part in one of the Wildlife Trust's 'Fungi Forays' this autumn. Please telephone the Wildlife Trust on 01223 712400 for a copy of our latest wildlife events and activities.

Bar Hill Cricket Club

1999 has been a turbulent year for the cricket club. We began the season with two teams and ended with only one. The season began with the second team scoring two good victories over Barley by 23 runs and 7 wickets. Then the majority of the first Team disappeared and the second team joined forces with what remained of the first team to play on in the first team's league.

We then had a run of eight defeats due mainly to our batting not matching our bowling and fielding performances. However we managed two victories, by 3 wickets and 1 wicket over Cambridge Telephones and Fenstanton respectively, and a thrilling tied match with Milton 2nd team over the last 5 matches. This late rally did not unfortunately save us from relegation.

We also ran an Under 12 team for the first time this year, who won 3 out of 8 games and managed to stay up in a strong league. Also 2 players Philip Pelling and Cameron Scott played representative Cricket for Cambridgeshire.

The Club also contested two friendly matches against Bar Hill Church and 'Wrinklies' which, as always, were enjoyed by both sides.

The Club's A.G.M is on Tuesday October 12th in the Committee room of the Village Hall at 8pm.

We will be holding our presentation evening Disco on Friday 22nd October from 8pm at the Village Hall. Tickets are £7 from Julie Lemon 201502

Pre-School Playgroup

We would like to welcome you to The Bar Hill Pre-School Playgroup.

We are located in the Village Hall Centre on the Village Green and can easily be reached by footpath or from the perimeter road via The Spinney.

The aim of our successful playgroup is to enhance the personal and social development of **all** children placed in our care. This is achieved through the various activities we have in our **two rooms**. This provides the educational setting required by OFSTED. All our sessions are run by our team of trained, experienced playleaders - Heather, Jenny and Gill.

Session times:-

Mon, Wed & Thu.	9.15 - 11.45 am
Tue. 'Playtots'	9.30 - 11.00 am
Tue.	12.30 - 3.00 pm
Fri. 'Rising Fives'	9.15 - 11.45 am

Information

Did you know that at our Playgroup we use a vast amount of equipment? This includes a slide, climbing frame, a playhouse, various dressing-up clothes, a Brio train set, a sand/water play area,

a painting area, a book corner and too many puzzles and games to mention!

Each session has a timetable of events in both rooms. Our **Craft Room** provides us with the facilities to develop mathematics, scientific reasoning and Information Technology through a series of topics which incorporates the use of all the equipment.

If you would like to call in and see what we offer please do. The staff will be happy to see you. Our recent OFSTED inspection report, which was excellent, is held at Playgroup and we would be glad to show it to you.

Playtots

Good news parents! We've changed the age limit so that your child only needs to be **one year old** to come and join in the fun (the upper limit is now 2½ year olds). This session offers the ideal opportunity to set the 'feel' for playgroup life (interaction with peers, discovering the wonders of one's surroundings, the joy of playing, etc.) However there is a catch for the grown-ups - it's a 'Pay as they play' morning!

Please come and see us, our staff would love to see you and are always willing and able to give advice.

Nursery Grant

everybody likes dogs! Although many of you would like to say "My dog is friendly and would not hurt anyone", I'm afraid I have to disagree. My son was chased by a rather large dog for several yards. The animal jumped at him, injuring his back very badly. After 3 hours in A and E, with a scar for life, my son is now terrified that all dogs can hurt him. Do you want a similar incident on your conscience? I hope not. Please put your dog on the lead, or exercise it on the grounds on the other side of the perimeter road.

(Name withheld by request)

Under the Nursery Grant Scheme, if your child is eligible, then the term after their 4th birthday he/she is entitled to **5 free sessions per week**. Please ring Julie Jolley **780445** for more information.

Places

For 1999/2000 places ring Julie Jolley **780445**. Application forms are available at Playgroup, The Library and the foyer of the Village Hall.

Subsidised places

We are happy to offer subsidised places to parents on Income Support or Family Credit. Any such request will go before the committee together with supporting documentation supplied by the applicant and will be dealt with on an individual basis.

Please note that we also offer discounts if your child attends more than 4 sessions per week.

Only one discount/subsidy will be allowed per child. Please call our administrator, Julie Jolley, on **780445** for more information.

Webb Ivory Catalogue

Our Christmas fund-raising Webb Ivory catalogue is now available at Playgroup. Please feel free to have a look and start some Christmas shopping!

Sonya York, Chairman

Letter to the editor

Dog Owners!

It has come to my notice that many dog owners are walking their pets on and around the village Green - a place where children like to play!

A recent incident illustrates something that has become all too common: Some children were playing football after school, when a dog ran around them for several minutes before the owner came to retrieve her pet. This left some children in tears and very scared.

If you wish to walk your dog in this area, please put it on the lead - not

Little Acorns

Little Acorns is a privately run pre-school, where children are treated as valuable individuals and encouraged to participate in a wide variety of planned educational activities in a friendly, sociable environment. There are 3 qualified members of staff at each session.

Children are now welcome from age 2½ years. We would like to make places at Little Acorns available to all children who require them, so if you would find it difficult financially, please telephone us and we will try to work something out! Please note that we are now reserving places for 2001/2002, so you do need to register your child early to avoid disappointment!

Our sessions are held in the Church Centre on a Tue. morning and Wed., Thu. and Fri. afternoons. We also have sessions in the School Studio on Mon. and Wed. mornings. (Mon. - children due to start school, Wed. - open to all ages)

We have a system of record keeping, enabling us to monitor each child's progress throughout the year. Each child is also allocated a

'key-worker', a member of staff who specifically monitors the children in their group. Several parent consultation evenings are provided throughout the year, ensuring that parents are kept up to date with their child's progress. We are also available at home to receive calls from parents wishing to discuss anything at any time.

Each child works through a series of workbooks and is able to take reading or workbooks home at the end of each session to share at home with the family.

There is a copy of our OFSTED nursery inspection report available to anyone on request.

From the term after their 4th birthday children are entitled to 5 free sessions per week under the Nursery Grant Scheme.

If you would like to find out more about the wide range of activities we offer or would like to arrange a visit please telephone us at any time. We would love to meet you and your child. Alternatively, registration forms are available in the Toddlers room or the Library.

Children's Activity Afternoon 2000 15th July 2000 on the School field and playground.

Tea with Santa

Sat 11th Dec. 3.30 pm to 5.30pm in the School Hall

Why don't you bring your children along for an afternoon of fun? They will be entertained by Uncle Mick, whose act includes Ventriloquism, Clowning around and a festive Punch & Judy. During tea, the reindeers will land on the School roof and there will be a guest appearance by a rather large gentleman with a white beard and a large sack of gifts which he will distribute to all the children.

Tickets are £5.50 each and are available from Lindsey 201516, Kirsten 200228 or Claire 781527. The week before the party Santa's little helpers will be busy delivering personalised invitations to each of the children who are lucky enough to be able to come and join in the fun.

Please note, pre-school children and children with food allergies etc. will need to be accompanied by a responsible adult, but children who are in full time education may be dropped off at 3.30 and collected again at 5.30pm. Please let us know when booking your tickets whether you will be staying.

It is likely that this will be the last fund raising event that we will be organising to raise funds for the Children's Activity Afternoon 2000, so if you have enjoyed everything else we have organised over the past year, please make the most of this one!

Sunshine Pre-School

The Sunshine Pre-School is in the brightly painted building near the School.

As a member of the Pre-School Alliance, the Pre-School offers a secure and comfortable environment for young children to learn and develop at their own pace.

Our newly created garden now has a roadway, climbing frame, children's playhouse, and many other attractive features, stimulating the children's imagination!

Each session is structured as follows:- During the first half of the session the children are encouraged to participate in a variety of activities - sand and water play, painting, craft, construction play and activities to develop reading and writing skills.

Then, after the break for milk and fruit, comes 'show and tell'. This is where the children talk about an item that they have brought with them or a subject that interests them.

In the second half of the session the children are given opportunities to participate in activities that concentrate on the development of numeracy, literacy

and social skills.

Note that the term after your child's 4th birthday he/she is entitled to 5 sessions a week FREE. We now accept children from the age of 2½ years (providing they are toilet trained).

Sunbeams

Sunbeams is our new Toddler session - led by our Pre-School playleader Jo on a Thu. - (1 to 3pm). Each session consists of painting, playing with sand and a large choice of other activities. After a break for milk and fruit, the children play outside (weather permitting) in our fenced off garden, where there is a wide variety of attractive features to play with. The session is then drawn to a close with a singsong.

Hiring the building

All day weekends and School holidays - the charges are:-

- £4.50 per hour
- £5 for 'ride on toys'
- £25 for the bouncy castle
- £5 for use of your own bouncy castle
- £40 for everything for 3 hours!

Vacancies

Vacancies have arisen for voluntary trustees to join the Sunshine Pre-School. Applicants must be over 18 years old. They must be prepared to commit a small amount of time and effort to the management of the charity and attend committee meetings. They must understand and accept that with Trusteeship come legal duties and responsibilities.

If you are interested in becoming a trustee or would like to know more about what is involved then please contact Mrs. Di Gunton 780344.

Vandalism

The Sunshine Pre-School has sadly been a recent target for vandalism. The gas meter cover outside the building has been broken, leaving the meter and gas pipes exposed. This will cost a considerable sum to replace, so please if you are a parent of any of these youngsters who have been seen kicking a ball against the Sunshine building please could you make sure they refrain from doing so.

Under Ones

Come along from 10 - 12 am on a Wednesday morning in the Church Octagon for coffee/tea and a chat.

All are welcome, mothers, fathers, grandparents and carers with babies birth to 12 months.

We have a wide variety of toys, a book library and changing facilities.

An informal friendly morning to relax and let the babies play.

We are a small, friendly club which does not play in a league but offers a relaxed atmosphere in which to enjoy the game. We cater for a wide variety of standards and provide all equipment - all you need is a pair of plimsolls or similar.

So, if you used to play, or if you would like to start, and want some gentle (or not so gentle) exercise, why not come along on a Tuesday evening? If you would like more information, please call Peter Bowers on 781977.

Before I start I would just like to thank Neville Watson for all his hard work over the years in looking after our publicity. I'm pleased to say he was awarded our Manager of the Season award in recognition of all his efforts. Good luck Nev for the future, and how can we tempt you back out of retirement?

Well I'm sure that you have all seen the white lines appearing once again as if by magic to mark the drawing in of the nights, and more particularly that the start of the football season is once again upon us. This year you may have also noticed some additional yellow lines. 'Yellow', I hear you cry, what has that got to do with football. Well this season, the Colts have got so many teams, that we are having to mark out pitches

Well the start of the season is upon us again and we have started with some good results and have been unlucky not to have won more of our first games. The main area of the game that we want to encourage is the enjoyment, whether we win lose or draw.

There are 11 teams this year and thanks to Jack Fleming and Dave Kember we have an under 15 team, albeit at the 11th hour. It also looks as though we have some help for an under 8's team and Paul has set up a girls team

inside of other pitches. Yes this season we have 7 teams competing in the Colts league (Under 11's to under 17's) and another 3 teams (Under 9's and under 10's) playing in the recently developed mini-league for which Bar Hill Colts was one of the founder members. We also have around 30 boys and girls attending early Saturday morning training. All in all we are one of the biggest clubs in Cambridgeshire.

But of course our season never ends, and our summer months have been spent buying badly needed new goals and nets and a new white lining machine. Of course all of this costs a great deal of money (nearly £1,500.00 to be precise). Of course we don't have a rich Chairman (well not that rich anyway) so we are constantly inventing schemes to raise the badly needed funds. This

to compete in friendlies. As usual all these teams appreciate help from the parents in setting up, transport etc. so you are all welcome to come along. (It is worth noting that the Cambs FA are clamping down on any swearing from both Kids AND Parents. Fines will be issued. We cannot afford to pay fines so please be careful when getting excited - In all probability the referee is not one anyway!)

The club is for your kids (over 200 of them now involved) and we want to

year once again we are lucky to have Debbie and Ruth to push us all into helping with the Fund raising. Of course we still need you to support our cause, so look out for all the popular events (tickets are always in demand), as well as some new ones. For your diary, we have our 'Race Night' on Sat. 6th Nov. so please contact Ruth (782230) or Debbie (200944) for more details.

Finally, if you've got one of these fancy Computers, Bar Hill Colts now has it's own Web Site on 'www.barhillcolts.freemove.co.uk', and you can send us e-mail to 'soccer@barhillcolts.freemove.co.uk'.

Each issue from now I hope to bring you the fixtures for the month ahead. More news next time around.

Barry Dean

continue the good work that John Houston encouraged to make Bar Hill a friendly club and the more people involved the better.

We will be printing out fixtures in the next edition so feel free to 'come on down' to watch.

Annual General Meeting:

Mon. 8th Nov. We have now been in existence for 10 years, yes 10 wonderful years and this will be our 10th AGM. I feel that a great deal of gratitude is due to all the Committee Members who during this time have given such wonderful service to all the members. Our numbers now stand at 76 members but I can recall we nearly reached 100 members during recent years. Regretfully we have lost a few in recent times but the memories of those departed will always remain with us; there were some really wonderful folk never to be forgotten, these memories will always remain with us. We have already invited those people who are 60 and now retired to join us and there will be a proposition put to the mem-

bers at the AGM that we should now invite those who are 55 to join us; this will necessitate a change in our rules of constitution and to ensure of the clubs' continued existence also we must not overlook the situation that several of the committee members are well into their 70s and a few over 80 and we are going to be looking for a few younger ones to help, that's if we intend to carry on?

The Gardener's Hymn

*All things bright and beautiful
All creatures great and small
All things wise and wonderful
The Lord God made them all.*

*But what we never mention,
Though gardeners know it's true
Is when He made the goodies,
He made the baddies too.*

*All things spray and swat-table
Disasters great and small
All things paraquatable
The Lord God made them all.*

*The greenfly on the roses,
The maggots in the peas,
Manure that fills our noses,
He also gave us these.*

*The fungus on the goose-gogs,
The club root in the greens,
The slugs that eat the lettuce
And chew the aubergines.*

*The drought that kills the fuchsias.
The frost that rips the buds
The rain that drowns the seedlings,
The blight that hits the spuds.*

*The midges and mosquitoes,
The nettles and the weeds,
The pigeons in the greenstuff,
The sparrows on the seeds.*

*The fly that gets the carrots,
The wasp that eats the plums,
How black the gardener's outlook,
Though green may be his thumbs.*

*But still we gardeners labour
Midst vegetables and flowers,
And pray what hits our neighbours
Will somehow bypass ours.*

Thought for the month

There is a great deal of discussion at present about morality. In particular, there is much debate about what a proper 'moral framework' for our day should consist of. I write as one genuinely concerned about this matter. Personal and public morality are vital for the well-being of any society. But where to begin?

Well, I think that two things need addressing immediately. The first is the strong sense of individualism which abounds today.

- So much emphasis is on 'me' - my needs, my wants, my expectations. Whilst I have no doubt that individual freedom is a very precious thing, I am also convinced that it must be balanced by a real sense of community. If my only concern is for me, without a genuine regard for you, then I am simply selfish. I will take what I want, when I want it, and I will not give a thought to the consequences. A morality based upon simple individualism is no morality at all: no wonder so much is breaking down around us.

The second matter is that of balancing rights and responsibilities. We talk easily of rights - it complements and bolsters an individualistic outlook - but not so easily of responsibilities. Words like commitment, service, loyalty and self-giving are not popular in some circles. But I am

utterly convinced that they are vital for communities to work. My responsibilities to and for others matter just as much as my personal rights.

I believe we discover the pattern for both these points in the person and example of Jesus. Perhaps if we really are concerned to see a new morality for our day we need to take him and his message more seriously.

Dolly the Sheep - Will we be next ?

Bar Hill Church are pleased to announce that they have arranged a half day conference on the sensitive subject of cloning on October 9th from 9.30am to 1.00pm. We are delighted to have secured three superb speakers (Rev. Prof. Michael Langford, Prof. Derek Burke and Rev. Dr. Fraser Watts)

who will present three papers in a 'jargon free' manner to help us both understand and respond to the issues surrounding cloning. Everyone is welcome to attend and the cost of this conference is £2.50 in advance or £3.50 on the door. Elizabeth Burns will be happy to take bookings (with cheques or cash) at the Church Office or via 108 Stonefield. See the poster in the Church entrance hall for more details.

What does quality of life mean to you?

South Cambridgeshire District Council is asking residents for their views on what currently gives quality of life, and how they think it may change over the next twenty years.

For an opportunity to give your views and ideas, up to forty 2-hour workshops are planned throughout the district. The workshops are aimed at identifying what people think quality of life means and how it can be maintained for the future. The results of the workshops will help to form

a Local Agenda 21 Strategy - a community plan, based on what people say they value in their lifestyles, and the actions they identify to continue their quality of life.

Sheryl French, Local Agenda 21 Officer at South Cambridgeshire District Council said, "Around the world, local plans are being developed to achieve lifestyles which do not deplete this planet's resources faster than it can replenish them. These plans are known as Local Agenda 21 - Agendas for the 21st Century. They are community strategies and so dependent on what people say."

The workshops will run during Sep-

tember and October 1999 and include scouts, local mums, Women's Institutes, Over 60s Clubs, Parish Councils and businesses. If you would like to participate in a workshop, individually or as a group, please contact Sheryl French, Local Agenda 21 Officer on 01223 443135 or Stephanie Allsopp on 01223 443026.

The workshops can be held at your premises, wherever you are in South Cambridgeshire, at a time that's convenient to you. Individual group results will be sent after each workshop, and the final strategy should be completed in early 2000.
